A modular manual to guide new krita users | Animtim ... As we don't have an up to date manual and the booksprint project we started to discuss is on stand-by for now, I started to write a modular manual to guide new Krita users. I call it modular because I want to split each aspect of the software to its own chapter, in separate pdf files (for convenience I also make a version with all. Krita Manual Updated | Krita The manual was implemented as a mediawiki site. A wiki makes it easy to create and edit pages, but it turned out to be hard to have translations available or to generate an off-line version like a PDF or epub version of the manual.
